

NOMINATIONS RECEIVED FOR SMALL BUSINESS AWARDS:

Self Nomination by Ence Homes in St. George (write-up attached). No compliance issues.

Recommended by Compliance with this comment from Jeff Dean, Compliance Manager "They all have clean compliance records and have for a very long time." By way of explanation, B means it is a minor source. SM means it is a synthetic minor source (like a medium polluting source, not the smallest, but not the biggest).

- Custom Crushing (Summit County – Class Size SM)
- Fabral (Iron County - Steel and Aluminum siding - Class size B)
- Backman Foundry, (Utah County - Class size B)
- Ceramatec (Salt Lake County -Ceramic manufacturing and research ceramic industrial parts such as valves, nozzles, piping etc. Ceramic is used in places of high corrosion with acids that normal steel and other metals can not tolerate for a long period of time like ceramics materials can. - Class size B)
- Interstate Brands West Co. (Weber Co. - A commercial bakery supplier of grains and flour. They do not bake things there. It is a transfer terminal for baking products - Class size SM)
